Group and rank

First, what you've all been waiting for... *drum roll* GROUP! Okay, maybe you haven't been waiting for it. Whatever. For group, you use the first letter of your last name.

A- BloodClan

B- BloodClan

C- BloodClan

D- kittypet

E- loner

F- RiverClan

G- RiverClan

H- RiverClan

I- ShadowClan

J- ShadowClan

K- ShadowClan

L- SkyClan

M- SkyClan

N- SkyClan

O- ThunderClan

P- ThunderClan

Q- ThunderClan

R- Tribe of Rushing Water

S- WindClan

T- WindClan

U- WindClan

V- RiverClan

W- ShadowClan

X- ThunderClan

Y- ThunderClan

Z- pick any besides the four main Clans

Now... If you got something other than the five Clans (River, Shadow, Sky, Thunder, Wind) that doesn't have warrior names, look below:

Loner- take out your suffix (my name would be Bramble)

Kittypet- choose a type of your prefix (my name might be Raspberry)

BloodClan- think of something similar that is dangerous (Blackberry maybe? I saw something online about like dangerous blackberry plants or whatever)

Tribe- expand your name (Brambles That Reach the Clouds perhaps?)

For rank, do your birth month.

January- kit or elder

February- warrior apprentice or leader

March- medicine cat apprentice or deputy

April- warrior or queen (elder if tom)

May- medicine cat or warrior

June- warrior or queen (elder if tom)

July- medicine cat apprentice or deputy

August- warrior apprentice or leader

September- kit or elder

October- warrior

November- warrior

December- choose (~^•^)~

If you didn't get a traditional Clan (the five forest, including SkyClan) then refer to this after you get your rank:

BloodClan- kit/kit, apprentice/kit, warrior/warrior, medicine cat/ warrior,
queen/ queen, deputy/ has no name, leader/ leader, elder/warrior

Tribe- kit/kit, apprentice/to-be, warrior/prey-hunter, medicine cat/ cave-guard (just go with it), queen/kit-mother, deputy/in training to be Healer, leader/Healer or Stoneteller (change your name to Stoneteller), elder/elder

So, Bramblecloud is from BloodClan, which means her name can't be that, so I'll do Blackberry. She is a warrior apprentice (kit in BloodClan) or a leader. To decide this, if your birth year is even, do the first one, and if it's odd, the second one. Blackberry is the leader of BloodClan. She is a pale brown she-cat with a dark grey mask, pink eyes and big, sturdy paws.
